1. This Court preliminarily approves the Class Action Settlement Agreement and Release of Claims (“Settlement”) between Plaintiff Gilbert Salinas (“Plaintiff”), on Behalf of Himself, and all Others Similarly Situated, and Defendant Kraft Foods Global, Inc. (“Defendant”) and finds that the Settlement is within the “range of reasonableness” as to the Settlement Class, and that it is the product of good faith negotiations between the parties.

1           2. The Court conditionally certifies the proposed Settlement Class contained therein  
2 and conditionally finds that, solely for the purposes of approving this settlement and for no other  
3 purpose and with no other effect on this litigation, the proposed Settlement Class meets the  
4 requirements for certification under Federal Rules of Civil Procedure, Rules 23(a) and 23(b),  
5 including that: (a) the proposed class is ascertainable and so numerous that joinder of all  
6 members of the class is impractical; (b) there are predominant questions of law or fact common  
7 to the proposed class, and there is a well defined community of interest amongst the members of  
8 the proposed class with respect to the subject matter of the litigation; (c) the claims of  
9 Representative Plaintiff Gilbert Salinas are typical of the claims of the members of the proposed  
10 class; (d) Representative Plaintiff Gilbert Salinas and Class Counsel will fairly and adequately  
11 protect the interests of the members of the class and (e) a class action is superior to other  
12 available methods for an efficient adjudication of this controversy.

13           3. The Court provisionally finds Scott Cole & Associates, APC to be sufficiently  
14 experienced and proficient in class action proceedings that they may act as Class Counsel and  
15 are, therefore, appointed as such.

16           4. The Court provisionally appoints Representative Plaintiff Gilbert Salinas as Class  
17 Representative.

18           5. The Court grants Class Counsel permission to obtain bids from various companies  
19 for the administration of this Settlement and grants permission for the Parties to then select the  
20 most cost efficient bidder as Claims Administrator.

22 41, Exhibit A. Notice shall be provided to Settlement Class Members as set forth in the  
23 Settlement and the Court finds that it is the best notice practicable under the circumstances and  
24 fully complies with the laws of the State of California, the Federal Rules of Civil Procedure and  
25 the requirements of due process.

26           7. Defendant will provide the Claims Administrator with the name, last known home  
27 address, home telephone number, email address, and data pertaining to the dates of employment
